A hand-drawn map of the City of Sacramento, oriented with North at the top. The map shows a grid of streets. A vertical street is labeled "City of Sacramento" in the center. To the left of this street, there are three horizontal streets. The first street from the top is labeled "W. C. Stahl". The second street is labeled "Thos. J. Connor". The third street is labeled "Jas. Mc Gillivray". To the right of the "City of Sacramento" street, there is one horizontal street labeled "Jas. Mc Gillivray". The map includes several arrows indicating directions or boundaries. At the top, there are three horizontal lines with labels "70'", "10' 10'", and "70'".

A hand-drawn map of a city block, oriented with North at the top. A central vertical street is labeled "City of Sacramento" and runs through the middle of the block. The block is divided into two main sections by this street. The left section contains four lots, and the right section contains three lots. Each lot is labeled with an owner's name. Arrows indicate the location of each lot relative to the street. At the bottom of the map, there are dimensions for the lots: "70'" for the width of the left section and "70'" for the width of the right section. Below these dimensions, it says "W. 10' of lot 6, E. 10' of lot 7."

| Lot Owner                   | Location Relative to Street |
